## **DS Smith Sells BSK Plastic Packaging Business**

DS Smith Plc (SMDS), the international packaging manufacturer and office products wholesaler, has completed the sale of BSK, a plastic coating and laminating business, to BSK Materials Limited. BSK had net assets of £8 million as at 31 October 2005 and employs 117 people at Rochester, Kent.

The sale of BSK, one of the smaller businesses within DS Smith's Plastic Packaging segment, enables DS Smith to increase further its focus on its principal Plastic Packaging businesses of liquid packaging and dispensing and returnable transit packaging.
